WCAB Covid-19 Updates

Fall is here and AMLS had a great webinar presented by Zazil Mijares on A Guide to all things Lien Resolution last month. Here are a few take aways from that webinar and keep in mind WCAB Lien Continuances are being discouraged and judges have been notified that they are not to allow continuances unless there is a **very** good reason. If the parties haven't done enough work before the conferences, they will be going off calendar.

Refer your Lien files out early so discovery and Notices of Hearing can be served.

Trials (including Liens) will start to be in person in October 2021 at most of the CA WCAB's

- CIC trials will take priority
- Lien Conferences will continue to be heard, telephonically
- NO LONGER limited to 3 Lien Conferences per judge per session
- **individually assigned judges' conference lines** remain in place
- New Rule: Lien Trials will NOT be set unless the PTCS are completed by all parties and uploaded prior to the Lien Conference date
- Lien Trials are being conducted through LifeSize virtual courtroom; judge will provide link to the parties

Med-Legal Record Review
Support Service 2021

Worried About the High Cost of Record Review. AMLS is here to Help You!

Our team are experts in organizing claim files and preparing records. We have been preparing discovery and complying with Orders to Serve Medicals for over 10 years. We can take a file with thousands of pages and turn it around in 48 to 72 hours.

AMLS will provide a Schedule of Records that contains "relevant" records and extracts blank pages, duplicate records, billing statements, and unnecessary records that will have no impact on findings.

We will work with your defense attorney or in pro per applicant to ensure all records necessary for review are sent to the Medical-Legal provider.

SAMPLE COSTS FOR REVIEWING RECORDS	
• 200 pages:	\$2,015.00
• 500 pages:	\$2,915.00
• 800 pages:	\$3,815.00*
• 1,000 pages:	\$4,415.00
• 1,500 pages:	\$5,915.00
• 2,500 pages:	\$8,915.00
• 3,500 pages:	\$11,915.00
• 5,000 pages:	\$16,415.00

CCR 9793(c)

AMLS will Deliver

4. Proof of Service
5. Option for AMLS to mail the records (certified mail)
6. Written Agreement with any in pro per applicants, if applicable

ONCE THE NUMBER OF PAGES HAS BEEN DETERMINED you can then consider the costs / benefits for requesting an AME OR QME Evaluation.

AMLS is here to help you keep this critical piece of the process cost effective.
